

Baby scale Easy with fold function

8320

- ▶ Patented folding mechanism with magnetic lock
- ▶ Low space requirement, easy to transport
- ▶ Easy to read LC display, 15 mm digit height
- ▶ Switchable to kg/lb units
- ▶ Energy-saving auto-off function

Features

The first baby scale with a handy fold function for parents, midwives and pharmacies can be reduced easily to the half of its length and is impressive because of its low weight. Furthermore the scale is extra handy and easy to transport thanks to the integrated carry handle and a beauty case-shaped design. Even when the child is very fitful the eight-point-weighing guarantees an every time accurate determination of weight which is completed by an easy to read display. The baby scale has an environment-friendly auto-off function for a long battery life.

- ▶ Patented folding mechanism with magnetic lock
- ▶ Low space requirement, easy to transport
- ▶ Easy to read LC display, 15 mm digit height
- ▶ Tare function: Covers/paddings can be tared
- ▶ Hold function for easy reading of the weight value after weighing
- ▶ Switchable to kg/lb units
- ▶ Energy-saving auto-off function
- ▶ Battery operation with two AAA alkaline batteries (not included in scope of delivery)
