## Features

---

The Soehnle Professional Baby Scale 8310.02 is an elegant baby scale. With its rounded corners and the comfortable plastic bowl, safety and hygiene are top priority. Functions such as the hold function and the memory function for the last weight value enable the baby to be weighed quickly and without stress. In battery mode, the scale can be used on the move and is energy-saving thanks to the integrated auto-off function, as the scale switches off automatically when not in use.
